

REVENUE MEMORANDUM ORDER No. 17-98 issued February 24, 1998 prescribes the general policies in the allocation of audio-visual equipment which are part of the BIR -Tax Computerization Project funded by World Bank Loan. The allocation of said equipment will be based on the needs of the office and the availability of the resources, as determined by MANCOM. The said equipment will be allocated to the offices and cannot be brought by the head of office upon transfer of assignment.
