

REVENUE MEMORANDUM ORDER NO. 14-99 issued February 24, 1999 prescribes a revised handbook on Alphanumeric Tax Code (ATCs) of Revenue Sources (NIRC 1997). All internal revenue employees, deputized Collection Agents and other revenue officers concerned, whose functions involve the preparation of Revenue Payment Orders, Revenue Official Receipts and/or acceptance of all other documents where ATCs are required, are directed to use the ATCs to ensure the accuracy of statistical information derived from them, and to facilitate proper accounting and monitoring of internal revenue collections. Said Order is also issued to prescribe the appropriate ATCs to be used in the various application systems of the Integrated Tax System.
