

REVENUE MEMORANDUM ORDER No. 33-98 issued April 21, 1998 amends certain portions of RMO No. 18-98 pertaining to the institutionalization of all projects under OPERATIONS, MOST and SPIRIT. Since the Transformation Committee (TRANSCOM) and the Management Committee (MANCOM) have the same composition, the TRANSCOM will no longer hold its regular meeting every Wednesday. Instead, issues concerning transformation projects which cannot be resolved by a Group or those requiring interface with another Group(s) will be included in the agenda for discussion in the MANCOM meeting every Monday.
