Series of 2023

**LIBYA STOPS ISSUANCE OF EXIT AND SINGLE RE-ENTRY VISA AND
EXIT AND MULTIPLE RE-ENTRY VISA**

The Department of Foreign Affairs (DFA) reported on the issuance by the Libya's Council of Ministers of the Government of National Unity Decree No. 532 of 2023, where the Libyan authority will no longer issue an "exit and single re-entry visa" and "exit and multiple re-entry visa." By virtue of this directive, the possession of a valid multiple visa or residency visa is a sufficient documentary requirement for the processing of returning workers (Balik-Manggagawa) to exit and re-enter Libya.

For the information and guidance of all concerned.
