R E S O L U T I O N

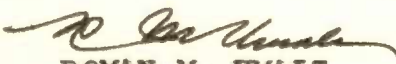

During the hearing of the above-entitled case on August 5, 1964, counsel for the petitioners made an oral motion for the withdrawal of petitioners' petition for review to which respondent interposed no objection. Upon interpellation by this Court, the said counsel made an oral manifestation that he was also withdrawing petitioners' counter-claim for damages and attorney's fees against the respondent, and signified his intention to file a separate action for damages against the respondent in the proper courts.

IN VIEW OF THE FOREGOING, and finding the said motion to withdraw petitioners' petition for review and their counter-claim for damages and attorney's fees against the respondent well taken, the same should be, as it is hereby granted.

SO ORDERED.
