Department of Migrant Workers Memorandum Circular No. 18, Series of 2022, outlines the guidelines for whitelisting and blacklisting private recruitment agencies, foreign recruitment agencies, mega manpower agencies, and foreign employers/principals involved in employing and deploying Filipino domestic workers and workers with vulnerable skillsets to the Kingdom of Saudi Arabia. According to this Memorandum Circular, the Department of Migrant Workers will conduct a performance review and update the whitelist and blacklist every six (6) months to ensure that all information is current and that entities remain compliant with the established guidelines.

Pursuant to this mandate, on 09-13 September 2024, the Department of Migrant Workers shall conduct the said periodic performance review to monitor continued compliance of the agencies and foreign principals/employers with the criteria for inclusion to the whitelist. During this review period, the acceptance of new applications for whitelist inclusion will be temporarily suspended to facilitate thorough monitoring.
