

REVENUE MEMORANDUM ORDER No. 94-98 issued December 15, 1998 amends certain portions of RMO No. 16-97, RMO No. 29-96 and RMO No. 62-94 by revising the policies and procedures on the acceptance of BIR Tax Computerization Project (TCP) deliverables and the designation of signatories of TCP documents and invoices (including enhancements to Integrated Tax System and Internal Administrative System). The updated requirements for the processing of AC-PS invoices and the invoice processing flow are also specified in the Order.
