**DMW Warns the Public on the Proliferation of
Illegal Overseas Job Advertisements**

The Department of Migrant Workers (DMW) urges the public to be wary of fraudulent overseas job postings circulating on Facebook groups, social media platforms, and other websites pretending to be authentic online job portals. These postings often misuse the names, addresses, and logos of legitimate recruitment agencies, and may involve direct hiring schemes that are illegal without DMW approval.

The DMW encourages Filipino workers seeking overseas employment to deal only with licensed recruitment agencies. To verify the legitimacy, the public can visit the official website of DMW at www.dmw.gov.ph to view the (1) listing of approved job orders, (2) information regarding licensed recruitment and manning agencies, (3) the schedule of job fairs offering accredited overseas job orders, and (4) the recruitment specification forms (RSFs) for job opportunities under the government-to-government recruitment program of the Department.

The DMW also requests the public to report any suspicious or suspected illegal activities about online recruitment scams directly to the Migrant Workers Protection Bureau at email address mwpb@dmw.gov.ph or at telephone number 8721-0619.

For the information and guidance of all concerned.
