REVENUE MEMORANDUM CIRCULAR No. 93-2020

TO : All Internal Revenue Officials, Employees and Others Concerned

SUBJECT : Celebration of the 18th Anniversary of the Development Policy Research Month

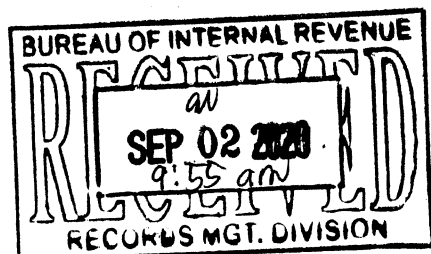

The month of September of every year has been declared as Development Policy Research Month (DPRM) per Presidential Decree No. 247 issued on September 2, 2002. For CY 2020, the theme for the DPRM Celebration is **"Bouncing Back Together: Innovating Governance for the New Normal"** or **"Makabagong Pamamahala para sa Sama-samang Pagbangon sa New Normal"**. This year's theme highlights the importance of innovating governance across all sectors of society to steer toward the path of renewed growth and dynamism.

All agencies of the government and their respective regions/field offices are enjoined to participate and support the celebration through organizing activities or events that may have relevance to the importance of a new brand of governance to be truly responsive to the needs of the present time. Innovating governance across all sectors of society is a must to bounce back in the new normal.

All Regional and District Offices are enjoined to provide their own DPRM streamer to be displayed at their building façade throughout the month of September. They may also coordinate with other participating agencies in their respective areas for any specific activity that they may want to participate in.

Attached is the letter of Philippine Institute for Development Studies (PIDS) which details the activities for the DPRM celebration as well as the format of the DPRM streamer.

All concerned are encouraged to participate in said activity and to give this Circular as wide a publicity as possible.

Dear Commissioner Dulay:

Greetings!

Per Malacañang Proclamation 247 dated September 02, 2020, the month of September of every year is declared as **Development Policy Research Month (DPRM)** to promote and draw nationwide awareness on the importance of policy research in the formulation of national development plans, programs, and policies.

We shall be celebrating the DPRM once more this coming September. For this year, in response to what is happening around us, we have chosen the theme, **"Bouncing Back Together: Innovating Governance for the New Normal"**, or in Filipino, **"Makabagong Pamamahala para sa Sama-samang Pagbangon sa New Normal"**. Through this theme, we hope to rouse our collective consciousness as we move forward as a nation to recover from this pandemic and face other challenges. We wish to emphasize the need to innovate governance across all sectors of society to steer the country toward the path of renewed growth and dynamism.

As the agency designated to lead and coordinate the yearly observance of the DPRM, the Philippine Institute for Development Studies (PIDS) invites your office/agency/local government to participate in this year's celebration through the following:

The attached file provides the design and specifications of the banner. You may access the template at <http://bit.ly/dprm2020>. You are free to choose between the English version and the Filipino version depending on your locality's language preference; you may also translate the slogan in your local dialect if you wish. For inquiries regarding the banner specifications, please contact Ms. Jachin Aberilla at jaberilla@mail.pids.gov.ph.
2. Repost and share DPRM promotional videos, infographics, and related announcements on your website and social media pages. 4. Attend all the virtual events this September such as the kickoff press conference and the APPC webinar series. All of these events are open to the public and will be streamed live on the PIDS Facebook page (<https://www.facebook.com/PIDS.PH/>). We will announce these events on our social media pages and provide the registration link.
5. Organize virtual activities/events (e.g., webinars) that may be relevant to the theme or to policy research.
