

Philippine Amusement and Gaming Corporation

MEMORANDUM

September 04, 2025

TO : ALL LICENSEES, SUPPLIERS, GAMING SYSTEM ADMINISTRATORS, GAMING VENUE OPERATORS, AND OTHER CONCERNED PARTIES

FROM : THE ASSISTANT VICE PRESIDENT
Gaming Licensing Development Department

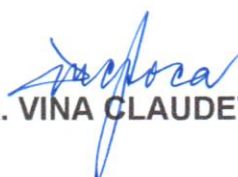

SUBJECT : NDRP APPLICATION PROGRAMMING INTERFACE (API)

Please be informed that the National Database of Restricted Persons – Application Programming Interface (NDRP-API) will be available on September 8, 2025. The API was developed to support seamless integration and improved efficiency that will provide real-time list of banned persons included in the NDRP, directly to Licensees' respective databases.

To obtain access to the API, please accomplish and submit Form ITD-1684 (Annex "A") to the Gaming Licensing and Development Department (for Land-based Casinos and Gaming Sites) and/or Electronic Gaming Licensing Department (for Online Gaming Platforms).

Should you require any assistance during the implementation of the NDRP-API. Please follow the prescribed email format (Annex "B") when submitting your concerns at ITD.helpdesk@pagcor.ph.

Thank you.

MA. VINA CLAUDETTE P. OCA

cc: The Assistant Vice President, EGLD
The Assistant Vice President, CMED-IR
The Acting Assistant Vice President, CMED-EG
The Assistant Vice President, ITD

Annex 2: User Access Control Form (UACF) for NDRP API (Form ITD-1684)

USER ACCESS CONTROL FORM
National Database for Restricted Personalities
Application Programming Interface
(NDRP API)

☐ New Account ☐ Modify Account ☐ Delete/Disable Account

IP Address of the designated computer for NDRP API access:

Access Agreement (Please read before signing)

1. Access account must not be revealed or used by others.
2. API credentials (e.g., keys, tokens, passwords) must be stored securely and must not be embedded in unsecured code, scripts, or public repositories.
3. API access is granted solely for authorized business purposes as approved by PAGCOR.
4. All data retrieved, processed, or transmitted through the API must comply with PAGCOR policies and applicable data privacy regulations.
5. API usage must not exceed the authorized rate limits or data thresholds provided by PAGCOR.
6. API access is restricted to the approved environment as indicated in the access request.
7. Any suspected compromise, misuse, or unauthorized access of API credentials must be reported immediately to the PAGCOR Administrator.
8. PAGCOR reserves the right to suspend or revoke API access at any time due to security concerns, role changes, or policy violations.
9. Continued use of the API constitutes acknowledgment of, and agreement to comply with, any future updates to this Access Agreement or related security policies.
