EMERGENCY NETWORK MAINTENANCE IN DMW CENTRAL OFFICE

Please be advised that the Department is currently experiencing intermittent and/or no internet connectivity, affecting access to internet-based services and applications.

To address the issue, the Management Information Technology Service (MITS) will conduct an Emergency Network Maintenance today, 14 July 2026, from 12:00 PM to 1:00 PM. During this period, users may experience intermittent or temporary loss of internet connectivity and access to online systems and services.

MITS is actively investigating the root cause of the issue and coordinating with the concerned Internet Service Provider (ISP) and relevant service providers to restore normal network operations at the earliest possible time.

We apologize for the inconvenience and appreciate your patience and understanding.

For guidance.

DOMINIQUE RUBIA-TUTAY
Undersecretary
