JUDGMENT BASED ON COMPROMISE AGREEMENT

BACORRO-VILLENA, I:

In a Resolution dated 20 July 2020, the Court required the parties to submit as proof of their compromise agreement the originals or certified true copies of the following:

1. Duly signed Compromise Agreement;
2. Certificate of Availment (CA) showing the approval of the National Evaluation Board (NEB); and,
3. All other requirements necessary for the perfection of their Compromise Agreement.

On 19 January 2021, the parties filed a “Joint Motion to Approve Attached Judicial Compromise Agreement” absent NEB approval.

After several pleas from the parties for extensions of time to submit the NEB approval, the Court, in a Resolution dated 27 July 2021, further required the parties to submit the original or certified true copies of the following additional requirements:

1. Secretary’s Certificate authorizing Tiffany G. Ty (Ty) to sign the Judicial Compromise Agreement (JCA) on behalf of petitioner; and,
2. BIR Form No. 0605 (Payment Form) and proof of payment of the compromise amount.

Pending submission of the above-mentioned documents, the judgment on the JCA was therefore held in abeyance.

In the *interim*, the parties’ filed their “**Compliance with Joint Motion to Approve Judicial Compromise Agreement**” on 08 July 2021, attaching thereto the certified true copies of the NEB Approval and the CA issued by the Commissioner of Internal Revenue (CIR).

On 05 August 2021, the parties filed their “**Compliance and Manifestation**”¹ with the original Secretary’s Certificate authorizing Ty to sign the JCA, BIR Forms No. 0605 and Certification issued by the Bureau of Internal Revenue (BIR) Revenue District Office (RDO) No. 39 of Quezon City .

Section 10. Signatures and Counterparts. This Agreement may be signed in counterparts, each of which when executed and delivered shall constitute a duplicate original, but all of which shall be taken together as a single instrument. ...

Under the Civil Code³ and the Rules of Court⁴, as amended, courts are directed to persuade litigants in civil cases to agree upon some fair compromise. Such agreement has the force of law and is conclusive between the parties.⁵

A compromise agreement is a contract whereby the parties make reciprocal concessions in order to resolve their differences and, thus, avoid or put an end to a lawsuit. They adjust their difficulties in the manner they have agreed upon, disregarding the possible gain in litigation and keeping in mind that such gain is balanced by the danger of losing. It must not be contrary to law, morals, good customs and public policy, and must have been freely and intelligently executed by and between the parties. A compromise agreement may be executed in and out of court. Once a compromise agreement is given judicial approval, however, it becomes more than a contract binding upon the parties. Having been sanctioned by the court, it is entered as a determination of a controversy and has the force and effect of a judgment.⁶

After a careful scrutiny of the documents submitted by the parties in support of the judicial compromise, the Court finds the same in order and in compliance with the established laws, rules and regulations.

WHEREFORE, in view of the foregoing, the parties' **Joint Motion to Approve Judicial Compromise Agreement** filed on 08 July 2021 is hereby **GRANTED**. Consequently, the Judicial Compromise Agreement is **APPROVED** and the same shall thus constitute as the Court's judgment in herein case. Impressed with judicial imprimatur, the parties are **ENJOINED** to faithfully comply with all the terms and conditions of the aforesaid Compromise Agreement. 

³ **Article 2029.** The court shall endeavor to persuade the litigants in a civil case to agree upon some fair compromise.
