Acting on respondent's oral motion to dismiss the above-entitled case on June 6, 1990 for non-apperance and lack of interest to prosecute on the part of petitioner depsite proper notice of said hearing , this Court resolves to **GRANT** said motion considering that this case has been pending since April 19, 1976 and every time it is set for hearing, petitioner always makes the same manifestation that the claim for refund involved herein "is being processed at the administrative level by the Bureau of Internal Revenue." By this time, after over fifteen (15) years, the claim for refund should be settled administratively by the parties.

SO ORDERED.
