

REVENUE MEMORANDUM ORDER NO. 12-2001 issued May 30, 2001 amends certain provisions of RMO No. 22-2000 which prescribes the policies, guidelines and procedures for the rollout of the Stop-Filer Capability in computerized Revenue District Offices (RDOs). The Computer Operations Network and Engineering Division under the Revenue Data Center will generate at the end of the 10th day after the tax filing deadline a listing of all stop-filers identified in the top 1000 taxpayers listings, for priority processing by RDOs.
