C.T.A.
CASE NO. 51

COLLECTOR OF INTERNAL REVENUE,
Respondent.

8/21/59

O R D E R

The respondent assessed against the petitioner the sum of ₱149,655.06 as deficiency sales tax and surcharge for the period from April 15, 1950 to December 31, 1952. Petitioner contested the assessment with respect to the sum of ₱149,017.75 and appealed to this Court for a review of the assessment.

When this case was called for hearing, this Court suggested that the parties enter into a stipulation of facts not disputed by the parties in order to simplify the issues and to shorten the proceedings.

It appears that, upon request of petitioner, the case was ordered reinvestigated by respondent, as a result of which it is alleged that "the parties arrived at the correct amount of taxes due from the petitioner," and, therefore, "there is no more controversy between the herein parties." (Motion to Withdraw filed by counsel for petitioner dated July 1, 1959.)
