Gentlemen:

This refers to your letter dated 20 January 2007 wherein you signified the reservation of your client Group Developers, Inc. to transfer the memorial lots registered in the name of Primera Food Products, Inc. to one of its officers without any board resolution authorizing the same.

As stated in your letter, according to the transferee-officer, there is no Board of Directors which can issue the needed board resolution because Primera Food Products, Inc. had ceased operation in July 1987; its assets distributed to its stockholders.

Please be advised that based on the records of this Commission, there is no corporation registered under the name "Primera Food Products, Inc." For your reference, attached is a copy of a *Certification of Non-Registration of Corporation/Partnership* issued by the Company Registration and Monitoring Department of this Commission.

Please be guided accordingly.

Very truly yours,

VERNETTE G. UMALI-PACO
General Counsel
