O R D E R

The above-entitled case refers to a claim for refund of the amount of P19,173.00, allegedly representing income taxes withheld and paid by the Philippine Engineers' Syndicate, Inc., on the retainer fees paid to petitioner.

At the commencement of the hearing of the case on December 15, 1958, counsel for the petitioner manifested in open Court that his client is willing to admit the correctness of respondent's assessment which has already been paid and that he would in due time formally ask for the withdrawal of his petition for review in writing. In effect, on August 12, 1959, counsel for the petitioner filed a "Motion to Withdraw Petition for Review and to Close Case" on the ground that the matter in dispute has already been settled amicably to the satisfaction of both parties.

From such manifestation, we take it that petitioner is abandoning its claim subject of the present appeal for the refund of the amount of P19,173.00 which was paid under Official Receipt Nos. 554566, 0112315
