EG Form No. 47-B

EGLD Reference No.: _____

Use this form to request approval from Electroni Gaming Licensing Department (EGLD) of the proposed playing cards to be used in live dealer gaming studio set-up. Only requests with correct and complete information will be processed. Failure to provide complete documents and information could result in non-processing of the request. Cut-off for submission of requests shall be 4:00 P.M.

PLEASE ALLOW TEN (10) BUSINESS DAYS FROM THE SUBMISSION OF COMPLETE INFORMATION AND ATTACHMENTS FOR EGLD TO PROCESS YOUR REQUEST

Name of Applicant/Accredited Provider: _____

Brand Name of Live Studio Production: _____

Live Studio Production Location: _____

Manufacturer/Supplier Name: _____

Office Address: _____

Intended use for the playing cards: _____

For submission of initial/original proposed playing cards, check box A of Section A. For submission of modifications to the previously approved playing cards, check box B of Section A.

SECTION A: DETAILS OF PROPOSED PLAYING CARDS (TO BE PROVIDED BY PROVIDER)

☐ **A. Proposed playing cards to be used in live dealer gaming studio set-up with corresponding artworks attached as Annex _____**

This is to certify and confirm that the proposed playing cards are compliant with PAGCOR's minimum requirements for artwork and material indicated as follows:

ARTWORK (drawn to actual size or drawn to larger than actual size and in scale)

1. The manufacturer's name, logo or identifying mark inscribed on the face of the Ace of Spades; and
2. The value of each card clearly indicated even when only a third of the card is visible.

MATERIAL

1. Each playing card shall be made of a material that does not result in:
 - Multiple playing cards being bunched or stuck together; or
 - A person removing more than one playing card at a time from a card shoe when the stack is dealt.
2. The material of the playing card shall allow the playing cards to be stacked and placed on a flat surface without the playing cards falling from the stack.
3. The material of each playing card shall be material which allows the smooth shuffling or dealing of cards whilst in any shuffler or card shoe respectively, and shall not cause the shuffler or card shoe to jam or malfunction.
4. The build quality of playing cards should be good enough to withstand at least six (6) cycles of use.

☐ **B. Proposed modifications to previously approved playing cards with corresponding artworks attached as Annex _____**

This is to certify and confirm that the proposed modifications to the previously approved playing cards are compliant with PAGCOR's minimum requirements for revised artwork as indicated follows:

1. Details of revisions that would have to be made on the approved playing card;
2. Exact drawing in color, of each side of the proposed playing card, drawn to actual size or drawn to larger than actual size and in scale, and showing the measurements of the proposed playing card in each dimension (height and width); and
3. Written specifications for the proposed revised playing card.
