ADVISORY No. 12
Series of 2023.

Soft-Launching of DMW Online Accreditation Management System

In line with the objective of the Department to streamline the processes at the Landbased Accreditation Bureau (LAB), and promote digital empowerment of all its stakeholders, the DMW Online Accreditation Management System (OAMS) has been developed.

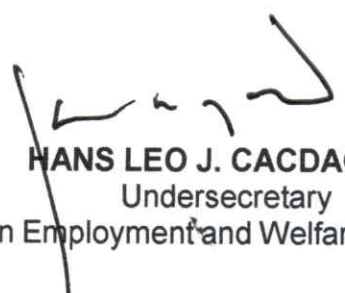

The OAMS is a web-based application system that will automate processing of the applications for accreditation of foreign principals/employers and approval of Job Orders filed with the LAB.

Soft-launching of the system will be conducted from **April 27 to May 5, 2023** at the DMW Central Office in BFO Building, Mandaluyong City.

The Department invites licensed landbased recruitment agencies covered by this soft-launch implementation to email their applications to mits@dmw.gov.ph. The Operating Guidelines will be emailed to users who will be granted access into the system.

Full and mandatory implementation of this system is set to take place on **May 8, 2023**.

25 April 2023.

HANS LEO J. CACDAC
Undersecretary

Foreign Employment and Welfare Services
